MYTH: Teaching shooting during the season leads to poor performance. This only occurs when what you're being taught has not been substantiated or who you're being taught by does not have a proven history of success.

(The following year's camp schedule is posted at the end of each year by December 31st)

NOTE:

- 1) Registration Forms and \$100.00 non refundable security deposit is received by the "Registration Deadline", no later.
- 2) Confirmation letters and specific camp information will be sent out within 5 days from the "Registration Deadline date.
- 3) To ensure optimal educational potential, enrollment is limited to first come/ first serve, 10-15 players per camp.
- 4) For best results, 2 or more team members preferred. School/Team/Club Sponsored camps available.

If your coaches do not know what is being taught at Shot Perfect, your coaches will be unable to effectively help you reach your ultimate offensive performance. See "Tune-Up" Camps.
